

Application Process for Admission into the MSCE at California State University, Fresno

The Graduate admission application process

To enroll in classes after you earn your baccalaureate degree you must be accepted to a graduate program and be admitted to the university. To apply for admission for graduate status, please follow these steps::

- Go to <http://www.csumentor.edu>
- Click on 'Apply Online'
- Click on 'Graduate Admission Applications'
- Click on the appropriate box which lists the term for which you want to enroll
- Enter your account information
- Click on 'CSU Fresno Graduate' from the list, and click [Start New Application]
- After reading important information, at the bottom of the page click on 'Begin Application for CSU Fresno Graduate'
- Upon completion of the application, determine your method of payment for the application fee and then click on 'Submit Your Completed Application'.

Also:

- Contact the Testing Office at 278-2457 to get appointment information for one of the graduate level tests appropriate for your major or credential program
- Submit any transcripts that may not already be recorded on your California State University, Fresno record.

-SUPPORT DOCUMENTS- "TO GET THE BALL ROLLING"

Support documents should be submitted to the University within 14 days of the application submission date. An incomplete application is missing one or more of the following:

- \$55.00 application fee via credit card or check (or approved fee waiver)
- Transcripts (one from every college or university attended since high school graduation), official and sealed by the issuing institutions (this does not apply to returning CSU Fresno students unless you have attended elsewhere since your last enrollment).
- Graduate level test scores (official from ETS)
- Separate program application, if required of you (please contact the program for information) - *NOPE FORCE*
- Residency documentation, if required of you (this will be determined after application is submitted)
- TOEFL, if required of you (this will be determined after application is submitted)

PLEASE NOTE: Unofficial transcripts, self-reported test scores and transcripts with In-Progress course work are criteria to generate a 'hold' on your registration after your first enrolled semester. To avoid delays when registering for your second semester, please submit official and final documents as soon as available and your hold will be lifted.
